Paediatric First Aid Level 3 2 Day Course £80

This course has been developed for those who are working with children and infants. It is aimed at teachers, child minders, crèche assistants, playgroup personnel and anyone who has a responsibility for their welfare.

This two-day course satisfies the guidelines and criteria as laid down by the Early Years Foundation Stage (EYFS) and Ofsted. To obtain this qualification, you must attend both days and complete the two units of accreditation.

Emergency First Aid at Work Level 3 1 Day Course £50

Where an organisation's risk assessment of First Aid needs identifies there is a requirement for Emergency First Aid at Work practitioners, then this national Award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid, the Health and Safety Executive (HSE).

All learners will have the skills and knowledge to provide the organisation with Emergency First Aiders that can provide treatment to their casualties in a prompt, safe and effective manner.
