

FIRST AID QUALIFICATIONS

ROUTEWAYS DELIVER A RANGE OF CERTIFIED FIRST AID COURSES

PAEDIATRIC FIRST AID LEVEL 3 2 DAY COURSE £80

This course has been developed for those who are working with children and infants. It will be of particular interest to teachers, child minders, crèche assistants, playgroup personnel and anyone else who has a responsibility for their welfare whilst in your care.

It is ideal for individuals who are responsible for children and infants, who wish to gain a nationally accredited Level 3 Award.

This two-day course satisfies the guidelines and criteria as laid down by the Early Years Foundation Stage (EYFS) and Ofsted. In order to obtain this qualification, you must attend both days and complete the two units of accreditation.

EMERGENCY FIRST AID AT WORK COURSE 1 DAY COURSE £50

Where an organisation's risk assessment of First Aid needs identifies that there is a requirement for Emergency First Aid at Work practitioners, then this national Award in Emergency First Aid at Work satisfies the requirements of the regulatory body for First Aid – the Health and Safety Executive (HSE).

All learners will have the skills and knowledge to provide the organisation with Emergency First Aider's that can provide treatment to their casualties in a prompt, safe and effective manner.
